

January 13, 1976

SENATOR BURBACH: Mr. President and members of the Legislature, I think to do this in an orderly fashion of those bills which are bracketed without a date certain, I move that those bills be unbracketed.

PRESIDENT: All right.

SENATOR BURBACH: Then we have got clearer, a clearer statement and then we can proceed as you indicated, just as we did on the other bills that were not bracketed.

PRESIDENT: All right. Senator Burbach asks unanimous consent to unbracket all bills bracketed for a date uncertain. Is there an objection to that? Seeing none, it is so ordered. Now again, we will proceed, we will call the number of the bill and the Senator who introduced it and ask it they want to proceed. If they do not, we will leave it. If they do, then the Clerk will read it. That will save us some time. So we are ready for LB 91.

CLERK: Mr. President, LB 91 is Senator Simpson's bill and he asked to be excused.

PRESIDENT: I beg your pardon, Senator. All right, so we will pass over this and leave it bracketed. Next bill.

CLERK: LB 148 is Senator Goodrich's bill and he is not present in the Chamber.

PRESIDENT: Then we are going to pass over this bill.

CLERK: LB 180A.

PRESIDENT: Excuse me.

SENATOR BURBACH: Mr. President and members of the Legislature, I request that 180A be held until the 28th of January, a date certain. The reason of the request, I am ready, but there are certain funds being made available by the Old West Regional Trail and by NRD's and we are not certain at the moment how many dollars are necessary for 180A. It will be considerably less than the bill originally called for. So I ask that it be bracketed until the 28th of January.

PRESIDENT: All right. There is a request for unanimous consent to bracket LB 180A until January 28th. Is there an objection? Seeing none, it is so ordered. LB 197.

CLERK: Senator Hasebroock's bill and he is not present. He is around but he is not in the Chamber.

PRESIDENT: That bill will remain bracketed. LB 202.

SENATOR BURBACH: (Microphone off) request and have this on January the 29th.

PRESIDENT: 29th. There has been a request for unanimous consent to bracket LB 202 until January 29th. Any objection. Seeing none, it is so ordered. LB 210.
